Have you stayed with your office cleaner too long because you don't know how to break up with them?

Your breakup package:

FREE Spring Clean. Worth \$200+

See what a clean office should look like. Includes a free carpet clean.

Pay Half Price until you're sure

\$1000 Credit Voucher. Pay half price for every invoice up to \$2000. Don't pay full price until you're 100% sure about us.

But are we any different?

We're a small team of 8 permanent staff. Avoiding the reliability issues that come with temp and casual workers allows us to consistently attend to the small details of your office that other companies miss.

According to our clients these small things are the big things...

"Our glass sliding door cabinets and shop-front signage have never looked so clean! In all my time as Store Manager, this is the best I've seen it" Shields Jewellers.

We'll look after you in the transition period

I'll take your call personally and supervise your first clean myself. You'll get a same-day quote to help you make an informed decision, and we can clean as early as the next day if needed. No downtime. Our free spring clean will get your office back into the shape it should be, and we'll also provide chocolates as a gift for you AND for your old cleaner, so you can break up in the right style.
